Advice and support during and after pregnancy

Catholic Pregnancy Counselling
of SkF Gütersloh

If you ...

- are unsure about how to deal with daily struggles with your child
- are in financial difficulties and want to develop solutions
- need support with regards to administration offices and bureaus
- have questions about the compatibility of family and profession (maternity protection, parental leave, childcare)
- need support after a loss of a child caused by miscarriage or stillbirth
- desire advice and guidance because of an ascertained disorder of your child during pregnancy

... we are there for you!

We offer advice, support and guidance

- for free
- regardless of nationality and religion
- secrecy – we are obliged to observe confidentiality

If you do not speak German...

- you can bring along a person who you trust as a translator
- we can arrange a translator
